

I am writing to let you know how important K-Love is to me and my family. We listen to it all the time. It is very important to keep it going. It is so important that I give monthly to support it. It lifts up so many people in our community. It is good, clean music for our children. It would devastate many people to lose this station. It is in the public interest because it keeps people happy while driving and lifted up. It makes a big difference in my life and others every day. Thank you for hearing me. Dana Hill
